Trips for organized groups of adults are led by tourist guides through tourist routes designated by the management of the Ojcow National Park

Ojcowa Flavors - Culinary Excursion on Ojców Village and Ojcow National Park

During our trip we will get to know not only the flavors of Ojców and the surrounding area, but also their natural values, which undoubtedly have a great impact on the taste sensations.

We will start our trip from the passage to Gospodarstwo Rybackie located in the Ojców National Park, there the secrets of conducting this interesting activity and then we will show the secrets of smoking the Ojcowski Trout - of course, it will not be without tasting this regional delicacy.

Next, we will go for a walk to the Krakowska Gate and the Spring of Love (for volunteers, we suggest a trail to the Łokietek Cave and its sightseeing for an additional fee - PLN 10 / adult, then descent to the Krakowska Gate and the Spring of Love). At the spring time for rest, then return to Ojców to the parking lot from where we will go to the Castle in Pieskowa Skala.

On the way, we will stop at a unique place on our culinary trail. "As in Old Times" is a place where we will taste regional products: cold meats, cheeses, cakes and of course we will taste the famous "Praojca Bread" baked here by traditional method for 100 years. Something about bread ...

"At the times when Karol Wojtyła ruled the Krakow Metropolitan, Father Stanisław Dziwisz brought him wheat-rye bread with caraway from the bakery from Adamski, and when he was at the Vatican, he provided him with the Bread Bunnel bread as soon as he was visiting ..."
